RUTGERS INTERCAMPUS
TRANSIT SYSTEM SERVICE ALERTS

Starting Fall Semester 2011

1) Effective Monday, August 29, 2011, we have modified the “F” route to become more of an express route between the College Avenue & Cook/Douglass Campuses. The “F” route will no longer service the following four bus stops on the Cook/Douglass Campuses: ‘Red Oak Lane,’ ‘Lipman Hall,’ ‘Henderson Apartments,’ and ‘Gibbons.’ Service to ‘Cabaret Theater,’ ‘Food Science Building,’ ‘Biel Road,’ ‘Katzenbach Hall’ and ‘College Hall’ bus stops remains unchanged on the “F” route. These overall changes to the “F” route will increase the frequency and improve bus service between the campuses.
2) The ‘Lot 100 bus’ stop, located on Joyce Kilmer Road by the intersection of Joyce Kilmer and Rockafeller Road has been discontinued due to the ongoing construction in the immediate area.

3) The bus stop located directly at ‘Beck Hall’ has been discontinued due to the closure of the portion of Rockafeller Road directly in front of ‘Beck Hall.’ All of the Rutgers Campus Buses will service a new bus stop called the “Livingston Plaza” that is located further up Rockefeller Road (near the intersection of Rockafeller and Joyce Kilmer.

4) We have made changes to the New BrunsQuick Shuttle route. There are now two routes that are called the “New BrunsQuick Shuttle 1” and the “New BrunsQuick Shuttle 2” which will still service the Fifth and Sixth Wards of New Brunswick, parts of the College Avenue Campus, the New Brunswick Train Station, Colony House (during peak hours only) and the Institute of Health/College of Nursing buildings. The “New BrunsQuick Shuttle 1” route is based on the old “New BrunsQuick Shuttle” route that services these places in a clockwise direction, while the new “New BrunsQuick Shuttle 2” route services these places in a counter-clockwise direction/opposite of the “New BrunsQuick Shuttle 1” route. Please visit the RUDOTS site for more specific information about the new New BrunsQuick Shuttle routes.
